# Through The Years

Dear Pat,  
 Here's hoping that you have just loads and loads of good luck and good fortune.

You can breathe easier now that that hand is over.

It has been a pleasure knowing you this year. I hope I see more of you next year.

Be good  
 Dorena

Dear Pat

I wish you the best of luck in every way you really deserve it. Your cute gal

## *Dedication*

Mr. Denny is one of those rare personalities who can rise to meet any occasion. He can play the role of playwright for a skit, counselor for perplexing problems, or act in the capacity of a friend. The Class of 1952 is particularly indebted to him for his inspiring leadership during our Sophomore and Junior years. Now in his position of Vice Principal he has again lent us his aid and guidance. It is because of his unselfish effort, his fine personality, and his noble character that we, the Staff of the 1952 Daisy, dedicate this book to Mr. Charles F. Denny.

We shall miss their faces, but their footsteps will  
ever echo in our hearts.

*In Memoriam*

**JACKSON PRICE**  
District Superintendent

Young people are seldom conscious of the great changes that are taking place in the world about them. This is quite natural, for they have known no other age. Nevertheless, it is plain to members of a high school graduating class today that the "times" are unsettled and very uncertain. Old philosophies have been questioned; age-old institutions have been flaunted. It is impossible to plan into the future with any degree of certainty.

There results a condition of great confusion, and but little feeling of personal security.

The mind of man has conquered the land, the sea, and the air. Science has split the atom and built the atomic bomb. We have come almost to believe that there is nothing our scientists cannot do for us. Yet, with all their masterful achievements, we do not have a sense of well-being and security.

There are perhaps many causes contributing to this condition today. But, most of all, perhaps, is the fact that we are believing in science—in man, instead of in God.

The mind of man cannot long deny the source of its divinity; nor can it continue to labor productively in a spiritual vacuum. Science without a soul is much like knowledge without wisdom. "Man cannot live by bread alone."

Great men like Lincoln learned early in life that there is a knowledge deeper than logic, richer than science. It is the wisdom of an Almighty.

As you leave the cloistered halls of your school, and the sheltered environment of your homes, to find your place in the sun, it will be well for you to put your confidence in a Supreme Being and place the highest values in the things of the Spirit.

HAROLD PUFFER  
Principal

The school year of 1951-52 has come to an end and the class of '52 has completed its high school experience. The conditions of 1952 entered High School seemed to be settled to the extent that the world has brought tremendous changes in the world, including the Korean situation in which many former students and graduates of Shasta Union High School have already taken an active part.

The years ahead seem uncertain but with a sound educational background, together with the moral and spiritual values which have become a part of you through your educational experiences in your home, your school and your church, you will be able to meet the future a day at a time and solve the problems as they arise. As you go into another school experience, the work world, or into a military service, you will have many problems to solve but by being deliberate and keeping a level head you will be able to solve your problems.

The world situation is very tense and within the next few years it is very important that we all work for the American way of life in order that not only we, but the future generations, may live in a free world.

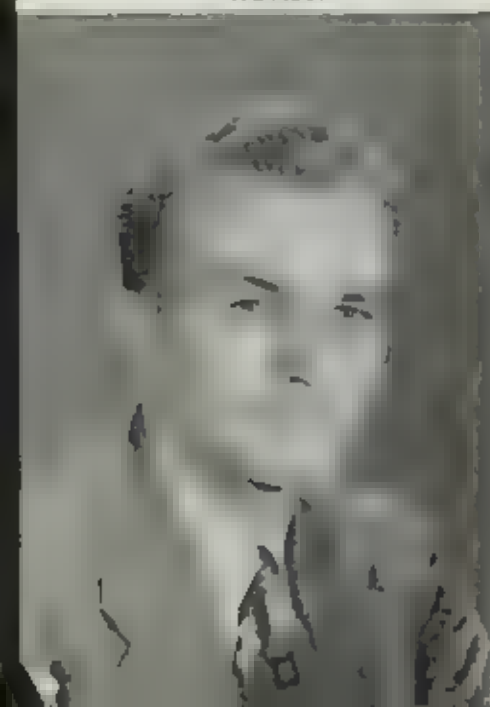

## Editor's Message

As I sit here among the scraps of books, papers, and people, I think how  
we worked hard, fought quite often, but had lots of fun bringing this book to  
you. If you enjoy the Daisy half as much as we enjoyed bringing it to you,  
we shall be happy

VADEN WILLIS

Sincerely,  
VADEN WILLIS.

In September of 1948 the class of '52 entered the world of Shasta High. Just another year, just another class, but in four short years they had made an impression that would linger long after many of them had been forgotten.

Under the leadership of Paul Williams and Bob Milton the class of '52 gained its initial velocity. The class was immediately recognized as possessing great qualities of leadership, scholarship, and athletic ability. Their contributions of organization, leaders, entertainers, and athletes were in no small number.

As sophomores they added momentum to their record-breaking career. With first Dearle Tolladay as president, and then Don Avey, they sponsored the Mad Hatter dance, proving their financial abilities by clearing more profit than any other dance of the year.

In their junior year the class of '52 exemplified their salesmanship by breaking all previous magazine sales records in selling \$2592.80 worth of magazines. The class chose Bruce Bedynek and Larry Clark as successive presidents and gave outstanding delegates to Boys' State, Girls' State, the Richardson Springs Conference, and various student conferences.

The richest class in school, with David Hummel and then Buddy Frank as presidents, made plans for a beautiful fountain as a parting gift to the school. They gave Larry Clark and Bob Brinkerhoff as outstanding student body presidents, and they filled lesser positions with more of their aspiring leaders.

All this, the class of 1952 can look back with pride. The precedent set by the class of '52 at Shasta High will long remain, and many who would aspire to

## Class of '53

Spurred by the desire to improve the Junior Class and to make it more of a "home" for the students, the Junior Class has been organized into a "Junior Class Association" which will be the "voice" of the students in the school.

Organized in the fall semester, the Junior Class Association has been successful in many of its efforts. The students were very active in the school and always willing to tackle any problem.

Wearing their uniforms and white sweaters, led by six snappy major-ettes, the drill team marched onto the football field or the basketball court. They were the first to be seen in the school building. In the early part of the year, the drill team marched at every home football game. Several of the major-ettes were also in the band, giving us musical assistance.

The first drill team was led by P. Fitzrandolph, the first of the major-ettes was E. Kennedy. The first drill team was led by P. bat. Other major-ettes were Jo Ann Alward, Carol Stanley, June Thompson, Alice Hansen, and Beverly Morrow. The other acrobats were Phil- lis Duffey and Jeanette Johnson.

Mrs. Shuman deserves a lot of credit for her hard work and patience with us.

### *First Semester*

Led by president Larry Clark, a number of enjoyable and educational assemblies were presented by the first semester student body officers. A highlight of nearly every meeting was the humorous reading of the minutes by secretary Leon Nelson.

Under the supervision of the other officers, vice president, Bob Milton; treasurer, Terry Riley; and student council secretary, Emmie Cook, every undertaking was a success. Rallies under the direction of Emt Markham, football yell leader, and her assistants, were full of spirit and interest.

Student body card sales, led by tax collectors Joyce Reynolds and Buddy Frank, hit over the nine hundred mark to provide the money for a highly successful semester.

### *Second Semester*

Bob Brinkerhoff led the student body during the second semester with a fine record of leadership. Under his direction assemblies and other student body activities were carried out with high degrees of success.

The other officers, vice president, Carol Jo Hall; student body secretary, Emmie Cook; student council secretary, Maureen McEnaney; and treasurer, Terry Riley, helped Bob out to make the second semester just as successful as the first.

## First Semester

The student council, headed by council president Bob Milton, brought about a number of changes during the first semester.

The council proposed a change in the way revenue from student food sales may be divided in the years to come. This project was not completed during the first semester, so it was carried over to the second.

Another project of the first semester was the setting aside of a day for the school to be a "no litter" day. Refuse containers were then put out for the students to use.

A new constitution was also considered by the council, and a committee was appointed to study it.

## Second Semester

Under the leadership of Carol Jo Hall, the council continued the task assigned by the first governing body and completed the revision of the student body budget.

Among the other accomplishments of the council during the spring was the revision of the student body constitution to make it fit the rising size of the student body.

# The Student Patrol

The Student Patrol is an organization whose purpose is to keep the halls quiet during the lunch periods. They are voted in at the beginning of the year and they hold the office for the first semester.

Officers for the first semester were Lt. Wanda Ketter, Desk Sgt. Mary Hayes, First Patrol Sgt. Sylvia Malone, Second Patrol Sgt. Gary Bridges. The officers for the second semester are Lt. Sylvia Malone, Desk Sgt. Roberta Miller, First Patrol Sgt. Arline Howe, Second Patrol Sgt. Bettie Van Fossen.

The organization had a very successful field trip during the second semester. They went through the court house, and the trip was enjoyed by all who participated in it.

The Student Patrol was responsible for keeping the halls cleared for the three lunch periods. Due to this effort, the excess noise was practically eliminated.

The Varsity Club has performed many worthwhile projects during its initial year in existence at Shasta. Like the Senior Block "S" Society, its standards are good sportsmanship and conduct worthy of Shasta in all athletic contests.

The club is made up of all boys earning a varsity letter in football, basketball, baseball, and track, with special consideration being given to seniors who have lettered three years in a "B" or "C" sport and who letter their senior year.

Preceding the final football game, the club presented Phyllis Firth as their Football Queen for 1951. She was awarded a gold trophy appropriately inscribed.

Other activities included the work at the Ag Ball and the organizing and running of the boxing tournament.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements.

2. The second part of the document outlines the various methods used to collect and analyze data, including interviews, surveys, and focus groups.

3. The third part of the document describes the results of the study, highlighting the key findings and the implications for practice.

4. The fourth part of the document discusses the limitations of the study and suggests areas for future research.

5. The fifth part of the document provides a conclusion and summarizes the main points of the study.

Under the direction of its two editors, Maureen McEnaney and Barbara Kiedis, the Volcano staff published an average of one paper per week. In addition to the regular editions, a giant Christmas Edition and special papers for Eighth Grade Day, Public Schools Week, and Easter were published by the staff during the first and second semesters.

Los Gauchos is made up of those students interested in the language of our Latin American neighbors.

The main task of the member is the earning of twenty five points for helping in various club activities. Upon earning twenty-five points, he receives a pin showing that he is a member in good standing.

The main event of the year for the club is the putting on of the Spanish Fiesta, our annual dance. This year, however, we did not have a fiesta because we felt that there were too few club members to put on the dance successfully.

Shasta High Art League is one of the oldest clubs in the school. It was organized in 1934 with seventeen charter members. The Art League aims to promote an interest in art activities in the school and community.

In October the Art League featured a Pay Assembly of the Trampoline Stars who entertained the student body with amazing aerial feats, twists, and somersaults.

This year the Art League members worked on the project of creating puppets during the meetings. In March the club entertained as guests the puppeteers from Buckeye School, who gave a most entertaining performance.

The first semester officers were Mel Posey, president; Mike O'Brien, vice president; Jack Britton, secretary-treasurer. Second semester was led by Bob

The Future Teachers is one of the clubs at Shasta which has a serious side. It originated in the fall of 1949. The purpose of this club is to help those who are interested in teaching and cultivating the qualities essential to a good teacher. The members study and try to analyze the lives of great teachers and to foster the development of student leadership.

Membership is open to any student who is interested in teaching, and who has the necessary qualities of character, scholarship, and leadership. There is no grade requirement for membership.

This club has a charter from the National Education Association.

## LUPE ET LUPAE

"Pares cum paribus facillime congregantur." (Birds of a feather flock together.)

The Latin Club opened the first semester by electing Ted Underwood, president. When Ted resigned, Allan Dotson was elected to fill the vacancy. Lois Hume was elected vice president, with Jean Haunschuld, secretary; and Jean Huck, treasurer. One of the most successful dances of the year was put on by the Latin Club last fall.

The Latin Club was sorry to hear of the passing of its very able advisor, Mrs. Jane Congdon. Mrs. Mary Ulrich was the club advisor during the second semester.

Second semester found president Jean Huck with the aid of Allen Dotson, veep; Faith Bryant, secretary; and Brent Leonard, treasurer, with the aid of all the members, engineering a very successful Gotta Koppa F r i n g e dance and the Roman Banquet for the enjoyment of all.

The bright smile, the quiet voice, the shining eyes, and the "Ego te amo" of Mrs. Congdon will be sadly missed by each and everyone of us

There will never be another who could teach Latin manners, and city planning all at once and have them come out separately. Her firm and restraining hand on the actions of the Daisy Staff will always rest in our memories

She loved us, that we know, and now we humbly dedicate this page because we shall always love her

# VARSITY FOOTBALL

# Varsity Football

Football again reigned over fall sports at Shasta, with the Championship Wolves completing their fifth straight league season without a defeat.

Winding up with a 7-1-1 record for the season, the Wolves bowed only to Grants Pass, the number one team in Oregon, and were tied by Grant High of Sacramento. A 20 win over the rival Red Bluff Spartans, and an intersectional victory over a sensational Yreka outfit climaxed a great season.

Shasta placed eight men on the All-Conference first team, two on the second team, and several given honorable mention. Bruce Bedynek, Royce Phipps and B. Jacobs were named on the All-Northern California team, Jacobs being elected on the first team by both the San Francisco Examiner and Chronicle.

Bruce Bedynek and Jim Gordon were elected co-captains at the end of the season.

## Junior Varsity

The Championship J. V.'s swept through Big Five competition with c Oroville Tigers scoring on them. The only losses were to the Shasta Varsity reserves and the Fall River Varsity.

Coach John Grantham did a remarkable job tutoring this year's willing group of Freshmen and Sophomores. He was unassisted throughout the season and developed many fine ball players.

At the end of the season Wendell Tobiasson was elected honorary captain.

## *"A" Basketball*

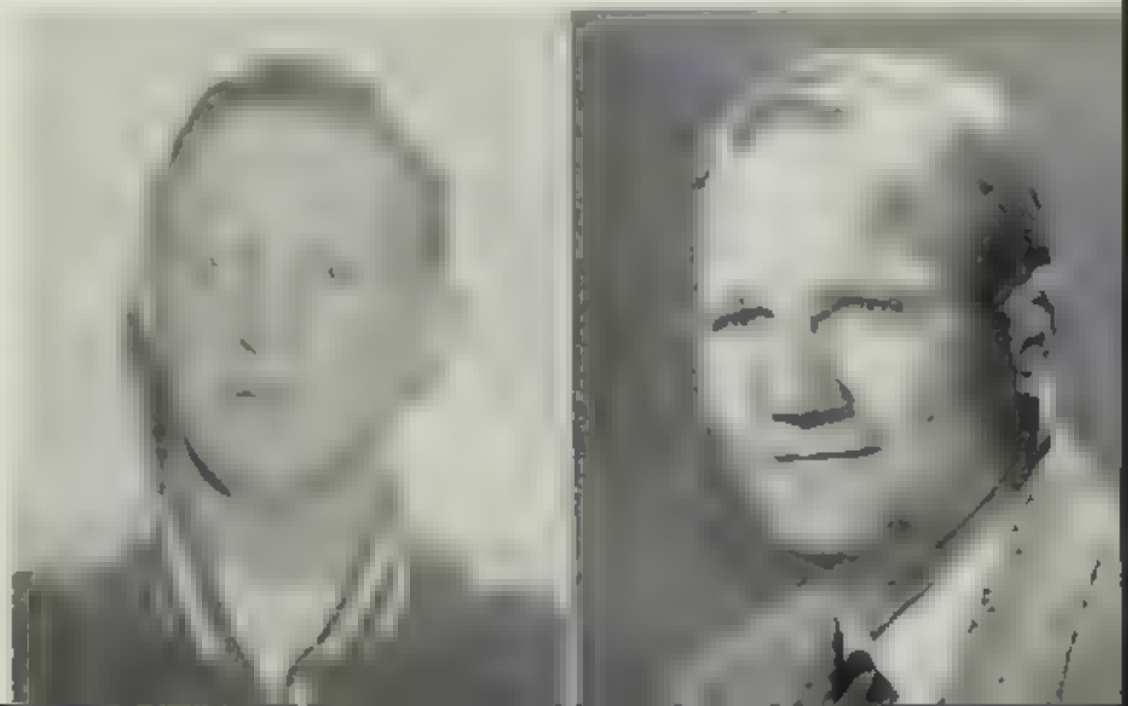

A greatly improved Varsity basketball team was viewed by Shasta rooters this year. The team of three players and one coach worked hard all season and wound up in Big Four league standings. If it had not been for a wrist injury, the team would have captured the Big Four crown.

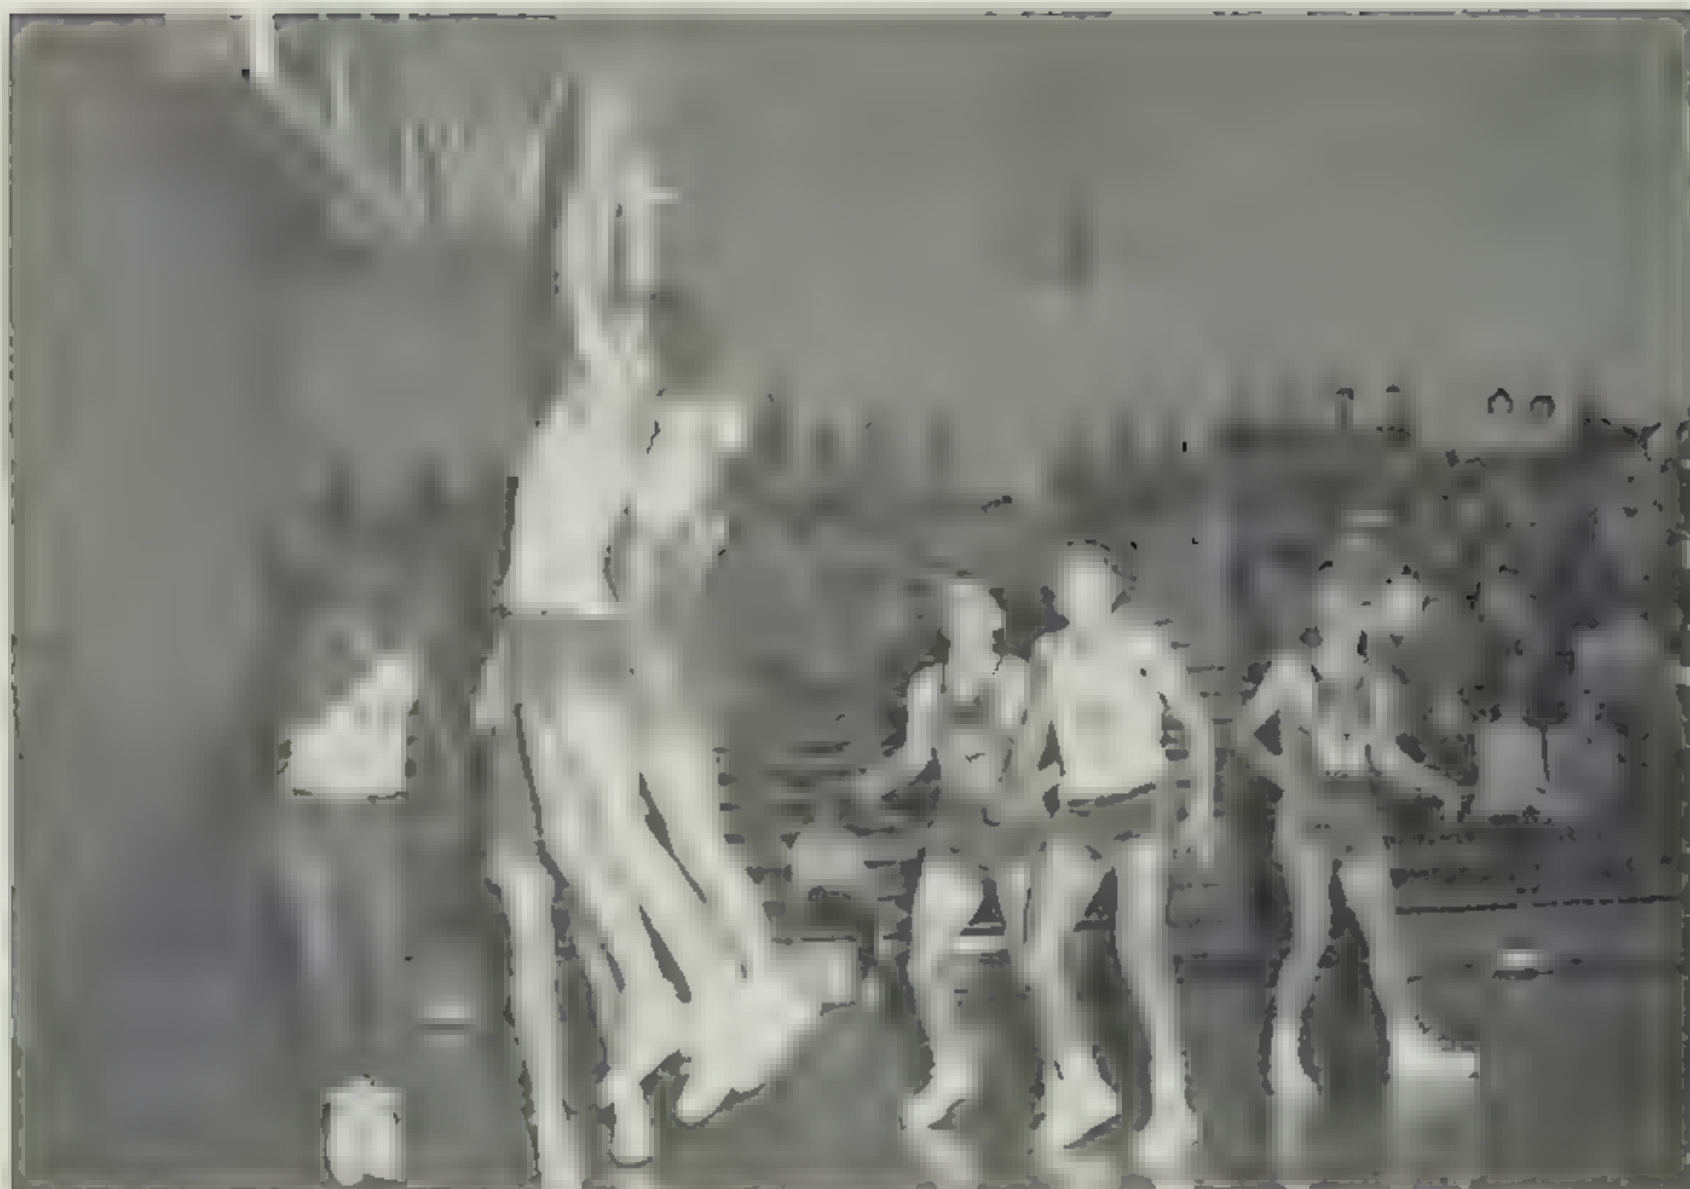

At the end of the season the boys traveled to Oroville and finished second in the Acker Round Robin Tournament there.

Coach Harlan Carter showed the fans the two platoon system, basketball style, near the season's end.

The team elected Paul Williams captain.

## *"B" Basketball*

As was evident to many pre season onlookers, Asta's B quintet had championship material and was destined to go places. This year's aggregation did just that by taking the Big Four title and completing a nine-game league season undefeated.

Bob Milton was the scoring sparkplug, with Don Wilhelmson, Ron Mancasola and Wilton Jones working many beautiful plays and confusing opponents. Fred Morrison and Mike Stephens gave the Pups their rebounding strength. Any combination of these six boys worked well together.

Ron Mancasola was elected captain at the season's close.

## "C" Basketball

The 1951 aggregation of C's fought their way to the Big Four Championship. Coach Ralph Johnson continued Coach Santure's top brand of tutoring during the latter part of the season.

The starting quintet throughout the successful season was R. Mancasola, J. Wilhelmson, L. Nelson, D. Halcomb, and B. Friebel.

# Boxing

For the past few years the boxing tournament has been getting better and better. This year's was no exception.

A trophy was given for the outstanding boxer in this year's tournament. It was won by Jerry Stephens.

All proceeds from the tournament go into the Athletic Injury Fund, which takes care of all bills for players hurt while out for athletics.

# ● GIRLS' SPORTS

**SPEEDBALL**—is one of the first games played when we return to school in the fall. It is a combination of basketball and soccer and requires a lot of skill to play it well.

**BADMINTON** is a very fast and exciting game and is enjoyed by all the girls.

**VOLLEYBALL**—is always an exciting game which requires alertness and skill and gives all the girls a chance to play.

**BASKETBALL** — Girls' basketball is not as easy a game as most people think. A good game of girls' basketball is just as fast and exciting as boys'.

**TENNIS** — Tennis is an outdoor sport offered during the spring and early fall.

**SOFTBALL** — Softball is the last sport of the year.

Dear Pat:

you are a kick in the pants  
this just about all I have to  
say — but truly you've  
made this typing class  
bearable with your sweet  
cracks — CONGRATULATIONS  
trippie — really you are  
a real help to the  
class with your next year!  
Donna Simonson Class of 1952

part —  
It was fun  
fun getting to  
know you this  
year. Remember  
the night we  
went and played  
tennis. Best  
wishes to a

Dear Pat -  
I have enjoyed knowing  
you these past years. I  
hope you have enjoyed  
school as much as I.

Oh we haven't this  
been friends ever since  
for like we were  
last year. But I want  
to wish you the best  
of your future in these  
years. I am in

Pat,  
 Lots of luck  
 was a swell pal.  
 I hope he wakes up  
 so. But, I doubt it  
 if I would take him  
 back. Don't forget all  
 the fun we had in  
 Homecoming. And  
 dear Mrs. Graham (he)  
 I hope you will have  
 as much fun in your  
 senior year as I have  
 had. I hope I will  
 see you this summer.  
 Your pal,  
 Ted

Dear me

Lots of luck to  
 you in your  
 senior year.  
 Love,  
 Ted

Dear Pat -

Well another school year is over and as you look back over it, I hope you recall many happy memories and that I might be one of them. It has really been fun gossiping with you and the "gang" in shorthand, and tho I have not known you too long I believe you can be a wonderful pal and I know you are a very nice girl. I hope you are in one of my classes next year, and if you are not, that I'll see you around anyway. Best of Luck and all that stuff, see in Westwood - Be good and please include me in your fond memories at "old" "Shasta" Hi.

Lots of Love L. V. E.

# Through The Years

Pat - I have really  
had fun with you  
this year. I hope  
we will have more  
fun next year. The best  
Pat ink fore  
I can. I hope  
enough. Said  
Amen!

Pat -  
It's been nice  
knowing you and  
having you in a class  
have loads of fun this  
summer, but remember  
the sun is hot! Good  
Always,  
Gray McElroy

Dear Pat  
 It has been  
 swell being in this  
 a few classes this  
 year with you. I  
 hope to get some  
 with you next year.  
 Lots of luck in the  
 future. a Pal  
 Welcome - Pal -
